Ce que voit l'élève

Les élèves choisissent une catégorie avant d'envoyer leur suggestion / idée. On peut attribuer une catégorie par groupe ou les laisser en autonomie. Chaque idée suggérée doit être originale.

Before you create your Podcast, let's talk about the project and share your ideas!

audio radio

Categorie

- What IS a podcast?
- What are the required jobs for a podcast? What are the technical needs?
- What websites are you going to need for your research and your podcast?
- To sound great, what aspects must you be careful about in English?
- What topics are you going to bring up about #RefugeesLives ?
- What are the main parts of your podcast? Intro ... Conclusion...?

SEND

Ce qui est affiché à l'écran

Chaque catégorie est clairement visible. Les élèves peuvent tout voir en simultanée, puis prioriser, modifier ou effacer les idées lors de la mise en commun. L'affichage permet un moment d'échange entre les élèves pour défendre leurs idées, expliquer, demander plus d'informations .
